Relocation America, Southfield, MI and Relocation By Design, Rochester, MI announced the launch of a series of workshops on International Policy Development.

This series of 16 workshops is being conducted by G. Michael Loewe, SCRP SPHR. As Managing Director of Lion Mobility Consulting Services ("LMCS"), Mike Loewe operates a firm dedicated to providing international and domestic human resources, consulting, and administrative services. These services are directed towards supporting clients in the management of human resources activities and functions

Mike is a member of the Worldwide Employee Relocation Council serving on the International Committee from 1992 until 1996 (Chair from 1993 until 1995). He was co-chair of the International Technical Track in 1997 and the Strategic Planning Track in 1999. Mike has received the President's award; four distinguished service awards and is a member of the Hall of Leaders.

Mike is known nationally and internationally as an authority on state of the art practices within international human resources and employee mobility. He has authored over 50 articles on various international and relocation topics for numerous publications and made over 100 presentations worldwide before various professional organizations. He has lectured at numerous universities and has developed and instructed 8 classes of the Global HR Certificate Program at the American Society of Employers in Detroit, Michigan.
