Relocation America was awarded contract from the fourth largest steelmaker in the United States.

This large steelmaker has subsidiaries in Michigan, Mississippi, Maryland, Ohio and West Virginia. This subsidiary, part of Russia's largest steel company and one of the worlds largest has chosen Relocation America to provide relocation management services.

The Vice President of Human Resources was quoted "We have done our due diligence and feel that Relocation America has all the tools to make our employees happy and productive through the difficult relocation process".
